An act to add Section 13012.6 to the Penal Code, relating to crime statistics.

LEGISLATIVE COUNSEL'S DIGEST

SB 1390, as introduced, Poochigian. Crime statistics.

Existing law requires the Department of Justice to present to the Governor an annual report containing the criminal statistics of the preceding calendar year. Existing law also requires that the report be printed or otherwise prepared so as to enable the Attorney General to send a copy to public officials dealing with criminals and to distribute them generally in channels where they will add to the public enlightenment.

This bill would require that report to contain information on identity theft crimes.

Vote: majority. Appropriation: no. Fiscal committee: yes.  
State-mandated local program: no.
